Agenda

Mayor Van Bynen opening remarks
How rapid transit makes great places even greater
Growing Newmarket into the future

VivaNext
- What is a rapidway?
- Where is it going?
- How is it built?

Working together

Q & A
setting the stage – the big picture
transit plays a role in bringing vision to life
VISION

Provide for transit-oriented development, with maximum pedestrian, bicycle and vehicular connectivity and route choices, and to facilitate access to existing and future transit services.
Newmarket’s Vision

Yonge and Davis, looking south

Dark purple = Construction
Updated January 2010
what is a rapidway?

- Lane configuration varies at intersections on Yonge street
- Dedicated centre lane rapidways
- Fully landscaped boulevards and median plantings
getting where you want to go safely and easily
getting where you want to go safely and easily
Safe, efficient traffic movements
Signalized u-turns
Transit signal priority
Clearly delineated crosswalks
Special needs considerations
Emergency vehicle access
boulevard treatments
landscaped medians
station design
yonge street at savage road to mulock drive
yonge street from mulock drive to william roe boulevard
yonge street from william roe boulevard to eagle street
yonge street from eagle street to gladman avenue
yonge street from millard avenue to davis drive
yonge street at davis drive
