

# Why Light Rail Transit (LRT)?

Metrolinx's *The Big Move* approved in November 2008 identifies LRT on Don Mills / Leslie Street from the Bloor / Danforth Subway to Highway 7

The Don Mills Road LRT is part of Toronto's Transit City Plan and a planning study is currently underway south of Steeles Avenue

Recommendations from York Region's *Draft Transportation Master Plan Update* identifies Don Mills Road / Leslie Street as a Rapid Transit Corridor
