

vivastation design elements

roof extends up and over Viva vehicles to keep snow and rain off while embarking/disembarking

roof and side panels made of reflective tinted glass for greater visibility and comfort

extended platform length can accommodate multiple Viva vehicles, enhancing embarking/disembarking efficiency

raised platform provides level boarding of Viva vehicles, eliminating the need to climb steps or lift objects

temperature and motion activated heaters in full wind enclosure provide warmth while motion-activated entry doors minimize heat loss

arrival/departure screens provide real-time scheduling info plus up-to-the-minute time, weather, news, sports and market headlines

full-time security surveillance and intercom for emergency assistance on platform

tactile pavers along rapidway edge provide greater safety

energy-efficient lighting throughout for greater safety and comfort

gently sloping ramp provides easy wheelchair, motorized scooter and stroller access

ample seating inside and out provides greater personal space and comfort

flexible cash, pass and Presto fare machines
